Your cross-stitch pattern

Stitched simulation and printing guide

88 x 88 stitch grid | 7,744 stitches to sew

14 count, over 1 | 6.29 x 6.29 in stitched area | 2 strands

Add your own framing margin to each edge. Print at Actual Size on US Letter.
Choose the black & white or color chart. Both use the same symbols.
The shaded strips mark a three-stitch overlap with adjacent tiles. Stitch those cells once.
